Usage Rules 05

- **Display Size:** Use the exact dimensions of **1080 by 1350 pixels**.
- **Color Consistency:** Always use the **specified color codes**; do not adjust them.
- **Color Usage:** Use **colors that complement the background**—if the background is white, use the colored logo, and vice versa.
- **Spelling Accuracy:** Ensure **no spelling mistakes** in the logo (e.g., “challenge” not “challange”).
- **Color Reduction:** In each design, select **one primary color**, and feel free to incorporate any combination of the secondary colors.
- **Gradient Usage:** Use the **exact provided gradient**; you are allowed to **adjust transparency** if needed.
- **Logo Inclusion:** Include the two related logos (**KFUPM and DTV**) in every design, ensuring they **appear consistently**.

Slogan

Purpose: Use the slogan only when the background is simple or empty, so it adds clarity and focus.

Placement: Position it wherever it balances the layout, but avoid using it on complex or creative backgrounds.

Typography: Use the secondary typeface and maintain clear readability.
